## Course Outline

This package includes these courses

- Premiere Pro Bootcamp (18 Hours)
- After Effects Bootcamp (18 Hours)
- Cinema 4D in After Effects Bootcamp (18 Hours)
- After Effects Advanced (18 Hours)
- Motion Graphics Portfolio Bootcamp (15 Hours)

### Premiere Pro Bootcamp

You'll learn how to organize and import footage, exporting options, how to use the Timeline, create titles, work with PSDs, use audio tracks, and more. Then, we'll dive into more advanced features including multicam editing, color correction, speeding up footage, and stop-motion loops. By the end of the course, you'll be able to add Adobe Premiere to your design repertoire, and you'll have some portfolio-worthy projects under your belt.

### After Effects Bootcamp

Get comfortable with After Effects by creating standalone videos, animations, special effects, animated titles, and more. Make professional videos for web and TV broadcast in no time at all.

### Cinema 4D in After Effects Bootcamp

- Create 3D models using Cinema 4D Lite
- Learn about and work with animations
- Integrate with After Effects to render 3D projects

### After Effects Advanced

In this intermediate/advanced After Effects course, we'll master motion graphics workflow to create advanced projects, from initial design to final delivery.

## **Motion Graphics Portfolio Bootcamp**

Learn the essential motion design concepts from a leading motion graphics professional who has produced animations for a wide range of clientele including CNBC, Nickelodeon, and Cartoon Network. You'll walk away with an impressive portfolio to show prospective clients.
